### **\*\*NEW SCHOLARSHIP INFORMATION FOR 2021-2022\*\***

In this week's Friday Folder, you received a copy of the new income guidelines for the SGO and Choice Scholarships. The income limits have been raised substantially. You will also notice that the chart has only one column rather than four as it has previously. This means that all Choice Scholarships will be the same size—90% of the public school allocation. This means that your child's tuition at St. Matthew School would be paid in full if your family qualifies. PLEASE LOOK AT THIS NEW INFORMATION CAREFULLY. If your adjusted gross income on your 2020 income taxes falls below the level on the chart for your household size, PLEASE contact me.
